

FLY RANK ORGANIZATION
MACHINE LEARNING INTERNSHIP
JULY-INTERN

Consistency, Not Talent (and Frame, Not Upstage)

One-Line Claim

- I build machine learning models that turn complex data into clear, actionable business decisions.
- I build machine learning systems that turn raw data into real business impact.

Content Map

Page-by-Page Content Map

Page	Sections in Order	Call to Action (CTA)
Home	1. Hero (Name + One-Line Claim) 2. Brief About Me 3. Featured Projects (with screenshots) 4. Key Skills 5. Contact/Footer	"View My Work" → Leads to Projects

Page	Sections in Order	Call to Action (CTA)
About	1. My Story 2. My Photo 3. Key Achievements 4. Skills & Tools	"See My Projects" → Leads to Home/Projects
Project 1 <i>(Strongest)</i>	1. Title & Summary 2. The Problem 3. My Process 4. Real Screenshots/Proof 5. Results & Impact 6. Tech Stack	"View Live Demo" / "See Code on GitHub"
Project 2	<i>(Same structure as Project 1)</i>	"View Live Demo" / "See Code on GitHub"
Contact	1. Friendly Heading 2. Contact Form 3. Direct Links (Email, LinkedIn, GitHub)	"Send Message" / "Connect on LinkedIn"

FAVICON

My Style Note

Clean, calm, and professional. My work is the most colorful and memorable thing on the page. The design stays quiet to let my projects speak for themselves.

WEEK 3 SUBMISSION - SAKHAWAT HUSSAIN

PAGE 1: ONE-LINE CLAIM

"I build machine learning models that turn complex data into clear, actionable business decisions."

PAGE 2: CONTENT MAP

Home → Hero, About, Projects, Skills, Contact | CTA: "View My Work"

About → Story, Photo, Achievements | CTA: "See My Projects"

Project 1 → Problem, Process, Screenshots, Results | CTA: "View Demo"

Contact → Form, Email, LinkedIn | CTA: "Send Message"

STILL NEED: Screenshots, Headshot, GitHub repo, Testimonial, Live demo

PAGE 3: IDENTITY KIT

Fonts: Inter (Heading & Body)

Colors: Text #111111, Background #F8F9FA, Accent #3B82F6

Favicon: [INSERT IMAGE HERE]

Style: "Clean, calm, professional. My work is the star."

PAGE 4: IMAGES & REJECTION NOTE

Real Screenshots: [INSERT PROJECT SCREENSHOT]

AI Image: [INSERT BACKGROUND IMAGE]

REJECTION NOTE: I rejected colorful and dark AI images because they distracted from my work. I kept a clean, minimal blue pattern that stays quiet and lets my projects shine.

Sakhawat[home](#) [case: churn](#) [case: capstone](#) [about](#) [contact](#)`[ status: shipping ugly, on purpose ]`

I build machine learning models that turn messy data into a decision someone can act on.

Computer Engineering student, ML & data intern, aiming for an ML role at a bank or software company. Below are two real projects — not polished, not fake.
